Re: Removal of Website Content Written by Randy Haugen

To Whom it May Concern:

It has come to my attention that the website [www.amquix.info](http://www.amquix.info) contains content that I have personally authored. I am the exclusive owner of all copyright and intellectual property rights to those materials. I hereby request that, by April 30, 2009, you remove any content (including cached versions) authored by me, regardless of who posted it to your site, including, but not limited to, the article entitled "Resigned Double Diamond Randy Haugen Speaks." If you fail or refuse to comply with this request by that date, I will pursue the matter further with my attorneys.

If you have any questions regarding this request, please contact me at [blackrockunlimited@yahoo.com](mailto:blackrockunlimited@yahoo.com) or my attorney, Brett Flagg, at (972) 248-4111 or [brettflagg@flagglaw.com](mailto:brettflagg@flagglaw.com)

Sincerely,

Randy Haugen
